October 14, 2013

Dr. Sandra Woodley
President, University of Louisiana System
1201 N. Third Street, Suite 7-300
Baton Rouge, LA 70801

Dear Dr. Woodley:

Southeastern Louisiana University is seeking formal approval of the Board of Supervisors of the University of Louisiana System to appoint Mr. Christopher "Jay" Artigues as Director of Athletics, effective October 14, 2013, at a salary rate of \$135,000 per year. Mr. Artigues replaces Mr. Bart Bellairs, who resigned as Athletic Director effective June 20, 2013.

Following Mr. Bellairs' resignation, a national search was conducted in accordance with University of Louisiana System policies. A broad-based search committee consisting of administrators, coaches, community leaders and a student-athlete reviewed applications from a pool of 34 candidates. Telephone interviews were conducted with the top five candidates. Two final candidates were then chosen for on-campus interviews and the search committee provided a summary of the strengths and weaknesses of these candidates to me for consideration. After due consideration, Mr. Artigues was selected as the best candidate for the position.

Mr. Artigues has a bachelor's degree in Business Administration from Belhaven College and a Master of Science in Sport Coaching from the United States Sport Academy. He assumed the duties of Interim Athletic Director at Southeastern Louisiana University in June 2013 upon the resignation of Mr. Bellairs. In his administrative role as Interim Director of Athletics and as Head Baseball Coach, Mr. Artigues has shown exemplary leadership and tremendous dedication to Southeastern athletics. He is well respected by student-athletes, coaches, faculty and staff, and members of the community.

We believe Mr. Artigues' experience as an athletic administrator, his involvement in community activities, his leadership skills as a coach, and his strong commitment to the "total person" approach to student athletes provide him the appropriate experience, education and leadership qualities to head Southeastern's athletic program.

Dr. Sandra Woodley
