Item J.2. Louisiana Tech University’s request for approval to appoint Dr. Donald N. Schillinger, Jr. as Dean of the College of Education, effective July 1, 2015.

EXECUTIVE SUMMARY

The University requests approval to appoint Dr. Donald N. Schillinger, Jr. as Dean of the College of Education effective July 1, 2015, at an annual salary of $130,000. The staff recommends approval.

RECOMMENDATION

It is recommended that the following resolution be adopted:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Supervisors for the University of Louisiana System hereby approves Louisiana Tech University’s request for approval to appoint Dr. Donald N. Schillinger, Jr. as Dean of the College of Education, effective July 1, 2015.
May 1, 2015

LADIES AND GENTLEMEN OF THE BOARD OF SUPERVISORS FOR THE UNIVERSITY OF LOUISIANA SYSTEM

Louisiana Tech University is pleased to present to the Board of Supervisors a recommendation to appoint Dr. Donald N. Schillinger, Jr., as Dean of the College of Education, effective July 1, 2015, at an annual salary of $130,000. His résumé is attached.

The Board of Regents approved Dr. Schillinger’s appointment as Interim Dean of the College of Education at its June 2014 meeting, and he has served as Interim Dean since September 1, 2014.

Dr. Schillinger holds the Ph.D. in Curriculum & Instruction (Secondary Education – Science) and the M.Ed. in Curriculum & Instruction (Secondary Education – Chemistry) from the University of Mississippi, and the B.S. in Chemistry Education from the University of Central Florida.

Dr. Schillinger has served as an Associate Professor in the College of Education since 2006; as Associate Dean of Undergraduate Studies and Director of Clinical & Field Experiences from 2009-2012; and as Director of Assessment and Accreditation (IT Supervision) from 2012 until he assumed the Interim Deanship in September 2014. He came to Louisiana Tech from the Burton College of Education at McNeese State University where he served as Department Head of Teacher Education.

As noted in the attached proposal, Dr. Schillinger has provided exceptional leadership as Interim Dean by establishing four significant initiatives (Caddo Parish Teacher Leader Institute, UTeachTech, Master Plan for Interdisciplinary Technology center, and QM Professional Development) in addition to enhancing the College’s recruitment and strategic planning processes. In addition to Dr. Schillinger’s notable accomplishments, he has received the express support of the College of Education non-administrative faculty and three department heads as the University’s candidate for Dean.

Based on Dr. Schillinger’s administrative experience and productivity, and on the College’s support of his nomination, I submit Dr. Donald Schillinger as Louisiana Tech’s choice for Dean of the College of Education. Your favorable consideration of his appointment is requested to provide continuity in the College.

Sincerely,

Leslie K. Guice
President
