ACADEMICS

SECTION XI. CREDIT BY EXAMINATION

Advanced Placement. The Board of Supervisors for the University of Louisiana System believes that it is important to encourage students at all educational levels to aspire to higher intellectual achievements. High school students can master college subject matter and document their intellectual achievements through the College Board Advanced Placement (AP) program. Scores of 3, 4, and 5 on the College Board Advanced Placement examinations will be accepted for degree credit by all University of Louisiana System institutions. Each institution will determine whether course equivalent credit or credit in the major should be granted and the AP score required to grant credit for those purposes. System institutions will publish this information in appropriate publications. This policy will be in place no later than June 2000. (Addition approved 4/28/00).
