

For Our Future Award

GENERAL PROGRAM GUIDELINES

APPLICATION: ULSystem.edu/ForOurFutureAward

The For Our Future Award is designed to assist academically qualified students in bridging the gap between mandatory tuition and fees and institutional scholarships, state scholarships, Pell grants, and Go Grants. The scholarship will be applied to the remaining balance of mandatory tuition and fees after all federal, state, and institutional aid is applied. The Award will provide up to a maximum of \$5,000 for full time students and \$2,000 for part time students per academic year (\$2,500 for full time/\$1,000 for part time per semester or the equivalent).

The Award will be granted to students who have a demonstrated and documented need. Entering freshmen should have a minimum 2.75 high school grade point average and undergraduate continuing students should have a 2.50 cumulative grade point average. Those receiving a full time award must earn 24 credit hours for each academic year. Graduate continuing students must have a 3.30 cumulative grade point average or other indicator of preparedness and be enrolled full-time along with earning 18 credit hours for each academic year. Adult learners that previously stopped out and have reenrolled will be evaluated with holistic consideration of applicant's capabilities, circumstances, experiences and potential.

(Individual members of the Board of Supervisors for the University of Louisiana System may establish more stringent requirements.)

Students attending graduate school must receive unconditional admission in order to qualify for the Scholarship. Retention of the scholarship shall be based on students maintaining "good standing" with their respective academic programs.

The Award is not applicable to contracted tuition or professional programs.
