SUMMIT INFORMATION

ABOUT THE SUMMIT

The fourth annual Black Male Summit will be June 17th and 18th, 2024 in New Orleans at the Hilton New Orleans Riverside. The Summit will offer a time of reflection and celebration of strides toward the equitable success of Black males. We are excited to offer this opportunity to gather and discuss solutions for addressing systemic barriers and creating new opportunities.

The community will have an opportunity to reaffirm their commitment to closing opportunity and achievement gaps across all social groups. Throughout the Summit, we will inspire others to make decisions that will positively impact the Black male population, laying the groundwork for endeavors to improve Black male outcomes in the education and workforce pipeline, healthcare, criminal justice, digital and financial literacy, and civic engagement.
